# Production Kitchen Services

## Quality is the Bottom Line

**Craig Lynch, Head Chef**

We offer a professional, high quality, prep and cooking service, using a custom built kitchen.

Since we started in 2023, we've learned a lot about how to be cost-effective, deliver quality and pack our output for speed of service.

**Smart Production  
for Hospitality**

**See examples of  
our range and  
capability on the  
following pages**

### How we control costs & waste

- Test and improve the fine detail of recipe and cooking process
- Cook in larger batches and fill energy intensive equipment
- Choice of packs / sizes
  - Sous vide bags, pouches, trays
  - Single portions to bulk
- Frozen/fresh mix

### GP Margins & Key Suppliers

- We can invoice ingredient costs separately from labour & overhead, including for Meat, Chicken, Fish
- Your key suppliers can also deliver directly to us and invoice you
  - We invoice you for cooking and ancillary ingredients only
